RISE-EU is an educational project by Prof. Ginevra Greco (University of Milan), a **4EU+** Visiting Professor at WNPIISM, designed to **immerse students in the heart of EU decision-making and trilogues. Through realistic simulations of the European Commission, the European Parliament, and the Council,** participants negotiate, draft proposals, and experience how EU laws are made - developing key skills in diplomacy, teamwork, and policymaking.

A unique opportunity to learn the EU from the inside.
